

Automotive Floor Plan Financing

Benefit from the expertise of TD Commercial Banking and our Dealer Finance Group in setting up the right automotive dealer floor plan financing for you.

TD Commercial Banking

TD Commercial Banking customers benefit from the dedicated support and ongoing involvement of a skilled Relationship Manager. This business banking specialist works to understand your business and then delivers recommendations and customized solutions to help you achieve your goals.

Dealer Finance Group

Our Dealer Finance Group (DFG) are specialists in the field of Automotive Floor Plan Financing. Our customers benefit from this expertise and responsive and personalized customer service.

Together, your Relationship Manager and the Dealer Finance Group can help you to build the level and mix of inventory you need to be competitive and to grow your business.

Automotive Floor Plan Financing Offers

- Market competitive interest rates
- Flexible options for New or Used vehicle financing
- Flexible credit limits to accommodate seasonal needs and O.E.M. build out
- No premium interest rate increase for used Floor Plan lines
- Flexible curtailment programs
- Bulk Account Program – In-house Lease Line programs
- Fleet Sales – 30 day terms to qualified dealers

Online Dealer Access System

Wholesale lease customers also have access to the Dealer Access System (DAS), so you can:

- View applicable interest rates;
- Submit lease requests or payments;
- Review and retrieve reports on your lease portfolio.
